**MATTHEW KELLY'S BUILDING BETTER FAMILIES**

For more than a decade, Matthew Kelly has been traveling the world inspiring people to become the-best-version-of-themselves. During this time he has been amazed at how regularly he is asked: How do I encourage my children to embrace this message? How does your message apply to a family? Now, for the first time, Kelly shares with us remarkable insights and sensible everyday strategies for transforming the family into what it should be: a place where each of us can become the-best-version-of-ourselves. In *Building Better Families*, Kelly explores important issues by raising evocative questions: What makes a successful parent? Do you realize that your children are in the middle of a cultural war? What are the five things children really need? Are you asking your children the right questions? What are you teaching your children about work, money, food, exercise, body image, and sex? What are the priorities of your family culture? Allow this book of classic wisdom and practical insight to help you build a better family, and raise amazing children! The *Prayer and Life Workshops (PLW)* is a program that teaches us to pray -- not by just reciting words, but by developing a deeper personal experience of God. The workshops provide a practical method for learning to pray in an ordered and progressive manner. Each week a prayer method is introduced and is practiced during the session. The participants are given the structure and the discipline needed to advance in their personal prayer life with Christ. The workshops are also about *Life!* Participants are encouraged to apply lessons learned to their daily life and will discover: Freedom from anxieties, fears, and sadness; healing from past hurts; and learn to become more patient, understanding and merciful. The ultimate object of PLW is to know Jesus better and to imitate Him in His love and humility. The workshops, developed by the Franciscan priest Ignacio Larrañaga, are given in over forty countries and have been approved by the Holy See. The workshop will be given at St. Katharine Drexel on **Tuesdays from 6:30-8:30 p.m. beginning September 24**. An informational session will be held **September 17**. #### Chapter Five ~ The Way Forward

God is love, and he has won the victory through the cross and resurrection of Jesus. Therefore, we inhabit what is finally a divine comedy, and we know that the followers of Jesus are on the winning side. Perhaps the very best way to be a disciple of Jesus right now is to stay and fight for his Church. (Bishop Robert Barron)

### The Family Fully Alive September Theme: Charity

Christian Charity is distinguished from other forms of social assistance by dedicating ourselves to others with heartfelt concern, by seeing where love is needed and acting accordingly, and not leaving God or Jesus out of the equation. Pope Benedict XVI said it beautifully when he pointed out, “*Often the deepest cause of suffering is the very absence of God.*” To participate and learn more about how your family can practice **Christian Charity**, thereby enhancing your family as a **Domestic Church**, go to pages 38-40 in your Family Fully Alive booklet.
